Meeting called to order at 6:03 Larry Gervais read the first part of the warning that appeared in the County Courier for 2 weeks and was posted at the library, town office, TD Bank.

At this time no one other than commission and board members were present.

Jon Elwell spoke about the latest information from Amanda Holland from NWRP, and it was discovered that we will need a second public hearing before the joint plan could be adopted, if you are more than 2500 in population you need to hold two hearings for the public, if less than 2500 its okay for just one. A second hearing will need to take place and notices will need to be posted. It was agreed that February 2, 2015 at 6:00 at the fire station would work for the majority.

Polly spoke about the new joint DRB and had heard that the suggestion was 7 and this was agreed upon by both boards. Jon suggested this to be discussed at the meeting on the 2nd of February 2015. Jon explained that the planning commission needs to agree at one of their meetings the number of people who would be on the joint DRB and who they would be. At this time there was no more discussion in regards to public hearing, so this portion of the meeting was adjourned.

Selectboard Meeting

The second part of the meeting was to discuss items Joey Clark was bringing to discuss the first thing on his list was a driveway permit which was signed and then he wanted to discuss the library and the grant on fire and security alarms. Motion by Polly Rico to go ahead with fire alarm and wait on security, Larry Fiske seconded this, all in favor so moved.
