Public Input Review

- With 95 responses to the alternatives online survey, there is clear public opposition to the changes proposed in this scoping study

Project Management Team Recommendation Discussion

- Long term - clear public preference for No Build. 2nd place is Access Alternative.
- Quick build - mixed results on whether or not Enosburg Falls should pursue changes here, but limited public support for any one quick build option

Final Scoping Study Steps

- Selection of Preferred alternative + next steps to finalize scoping study.
