3. Budget Discussion

John Dasaro read through the warning as written. The appropriation for FCIDC was raised as a question of double taxation. If the appropriation is in both the Village's and Town's GF are Village residents being taxed twice. The trustees approved the appropriation for 2026 however they want to review increasing the request on the Town's GF and remove the Village's GF, and to be reviewed in 2027. David asks about the principal payments on the GF loans, the total amount. Trustees discussed the paving appropriation, 8 or 10 years and they agreed to the 8 years. The GF budget was motioned to be warned, first by Leonard and second by David. Unanimously approved

4. Other Business

Dave asked about retirement funding for the union agreements. Discussed update on ATV meeting on 2/12. Leonard asked for an update on the FERC license with the hydros. John provided an update on how the process is going.

5. Adjourn.

Motion to adjourn at 5:26PM first by Leonard and second by David.

Respectfully Submitted,

John Dasaro
