3. Public Comment, and informational meeting for an ATV ordinance in the Village.

There were over thirty residents and non-residents that attended the meeting to discuss whether to allow ATVs on the Village roads. There was good debate and information from both sides of the concept. Two Vermont State game wardens and a representative from VASA (Vermont ATV Sportsman Association) were present to answer questions about laws, signage and how other municipalities are doing that have allowed ATV’s. It was an over all spirited debate and the trustees listened to both sides.

There was one suggestion that the draft ordinance did not state, and that was pointed out by a resident, the calendar year that ATVs could ride the roads. Those for the ordinance sited the economic value and the money it would bring to the community. Those against felt the lack of police coverage and enforcement in the area and the noise would be an issue.

4. Adjourn

Jason Longway made a motion to adjourn meeting. Seconded by Leonard Charron. Unanimous. Meeting adjourned at 8:12 pm
