3. Discussion of options to purchase a utility truck for the water and light department

John the Village manager presented to the trustees three different options for which truck to purchase. John also presented two options for purchasing a truck, one would be to lease it, and the other would be to use savings with an amortization schedule to pay the savings account back. After some discussion there were three motions.

A motion to use the water department's reservoir rd savings to purchase a pickup truck for the water and light departments. Jason Longway made a motion and seconded by David Gervais. Approved.

A motion to approve an inner fund loan to be split 80% to the electric department, 20% to the water department to be paid back at 3.5% interest over three years to the reservoir road savings account. David Gervais made the motion and was seconded by Leonard Charron. Approved

A motion to purchase a Chevrolet 3500 from Burlington, New Jersey Chevrolet in the mount not to exceed \$80,000. Motion was made by Jason Longway and seconded by David Gervais. Approved

4. Other Business
